Sterling Aviation's beautifully maintained Gulfstream G100 combines long range with exceptional value for non-stop travel to any destination in North America, Central America or the Caribbean. The aircraft offers mid-size cabin comfort and performance at near small jet charter prices.

The G100's neutral interior is appointed with light beige leather and has standard seating for seven passengers including an aft 4-place club arrangement. Additional features include a refreshment center with a coffee brewer and microwave, large stow-away tables, plus a belted lavatory seat.

The aircraft is outfitted with winglets and has a white exterior with blue and red decorative striping.
