# King Air B200

Sterling Aviation's B200 turboprop provides exceptional value for short to mid-length business or pleasure charters.

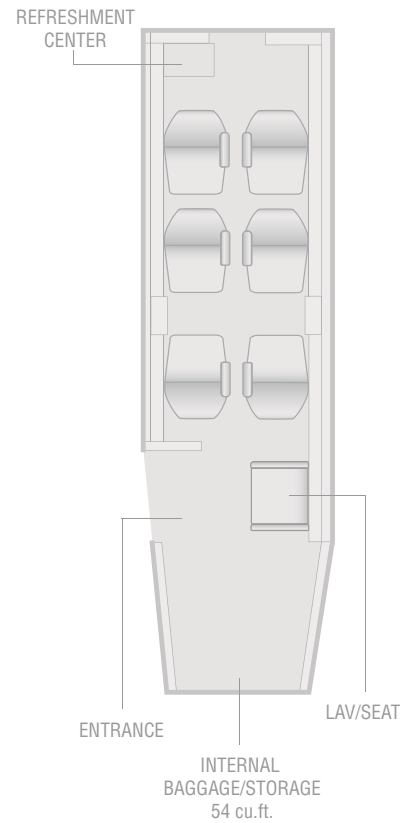

The Wisconsin based aircraft's pleasing neutral interior features light beige leather seating for up to seven passengers with spacious stow-away tables. A fully stocked refreshment center offers an additional luxury touch. The aircraft also offers more than 50 cu ft of cargo capacity – perfect for carrying your luggage or gear.

The King Air B200 offers the same convenience and time efficiencies as small- or mid-cabin jets at a more economical price point. Flight Safety trained pilots provide the security you want and deserve.

The aircraft's white exterior is accented with blue and red stripes.
