charter@sterlingaviation.com
800.457.2688

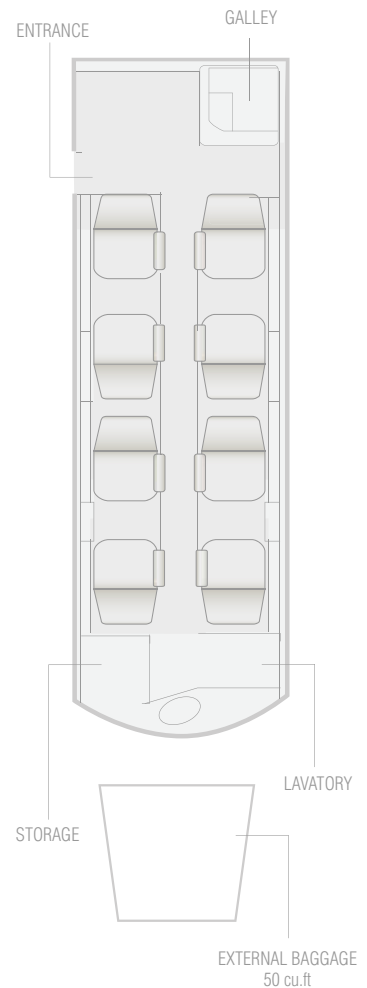

The Lear 45XR has enhanced hot and high performance as well as faster high-speed cruise, unmatched climbing capability and greater range than any other aircraft in its class. It is easy to see why the Lear 45XR continues to grow in popularity in the private aviation community and is in high demand for air charter services.

The neutral interior is beautifully accented with medium-tone wood veneer and the fully reclineable seats are most inviting. The dual club configuration offers maximum comfort for all eight passengers. A generous baggage compartment plus additional internal storage add to this aircraft's versatile functionality.

The Lear 45XR's white exterior is pleasantly accented with navy blue stripes.
